Frequently Asked Questions about our Mini Golf Birthday Parties

Is the Mini Golf Course under cover?

Our Mini Golf course is outdoors and surrounded by nature which is what makes it the best Mini Golf Course in Sydney. We do have a fully covered seating area if needed.

What happens if it rains on the day of the party?

In the case of light rain the kids can bring their raincoats and come along for some fun. If there is heavy rain then we will contact you before 9am on the day of the party to discuss if you wish to reschedule or cancel the party. In the event that the party does not proceed because of bad weather we will send you a voucher for the value of the deposit to use at the centre.

When do I pay for the party?

To confirm your booking, we require a \$50 deposit at the time of booking. The balance is payable at the end of the party once final costs have been confirmed and we have deducted your deposit.

When can I send out invitations for the party?

Once you have paid a deposit and we have confirmed the date and time of your party by email, feel free to send out invitations.

Can we cater for adult guests at the party?

We can set up a tab for your party if you wish and serve our wonderful coffee or cold drinks. We can provide a range of adult platters which will need to be pre ordered or guests can purchase food from the Café if they wish.

Do we have a self-catered option?

Yes, we have a self-catered mini golf birthday party package which is available Monday to Friday OR Weekend evenings from 6.30pm-8.30pm (not including school holidays). These options include 2 hours in the party area, mini golf and party invitations. We are not able to heat any food or provide you with access to any kitchen facilities. These options are for kids Under 18 years of age.

When do I have to confirm final numbers?

We require final numbers and menu options by Thursday before the weekend of the party. We will charge you based on this confirmed number, or the actual number on the day if numbers increase slightly.

What is the format of the party and how long is it?

Please arrive 10-15 minutes before the party's commencement to confirm any specific arrangements with our staff. Our Party hostess will provide Mini golf balls, scorecards and will guide the kids to select their putters ready for some fun. It will take parents approximately 30 to 40 minutes to guide the kids to play 18 holes. Once the mini golf is complete the kids will move to the designated party area for the remainder of the party to enjoy some food, drinks and birthday cake. We ask that you vacate the party area by the designated time so that our staff can clean and prepare for the next party.

Are there any supervision requirements from parents?

Parents are required to provide supervision at all times. Kids are not permitted to run around the venue at any time.

Does the Party Hostess take the kids around the Mini Golf Course?

We can provide an additional party hostess for \$75.00 extra who can lead the kids around the Mini Golf Course. Parents will still be responsible for the kids at all times and will need to accompany the kids around the course. If there are other options you would like, please discuss these with our staff at the time of booking.

Do supervising parents have to pay?

If the supervising adult is not playing Mini Golf there is no need for them to pay.

Can I bring extra food and drinks to the party?

You are welcome to bring the birthday cake & lolly bags and don't forget the candles! We fully cater on the weekends and provide many affordable options for you so you can relax and enjoy the party with your guests. So no other food and drinks are permitted on weekends for fully catered parties.
