After the student has completed the program, the Golf Professional will advise each student whether they should progress further on to another appropriate program.

Academy Pathway.

1- Bronze Junior - Pittwater Golf Centre Term Classes Each term consists of 8 sessions in which your child will be put through a structured development program where the key golf fundamentals will be taught. There are three levels covering all areas of the game of golf that your child will progress through before becoming a Silver level junior.

2- Silver Junior - Avalon Avalon GC will be holding a regular Sunday competition where you child will have tournament like practice. The course will be a shortened course with Avalon's famous 'Big Holes' to give your child the best opportunity at birdies and pars. This competition will be played at 2.30pm in which there will be a weekly winner with a ball competition running, allowing kids to earn great prizes. Every junior will receive a 9 hole short course handicap and will have to get it down to less 15 before progressing to become a Gold Level junior.

3- Gold Junior – Long Reef GC Cadet Program Long Reef GC is regarded as one of the best golf courses in Sydney which will be tting for the nal stage of the Academy. This nal stage is crucial as it prepares your child for 18 hole competition golf. On a Saturday afternoon at 2:30pm there is a 6 hole competition run by Head Professional Danny Vera.

WHEN CAN I PLAY?
